Professionalism

Factory experience is helpful but not a requirement. For those who bring a professional attitude — punctuality, pride in their work — we will invest the time and resources to help you learn, grow and advance in the company.

Team-Oriented

We rely on one another to build beautiful wood furniture. Each person's contribution is important and that requires us to take our job responsibilities seriously, deliver on time, and to offer help wherever it's needed.

Respectful

We have made a great effort to ensure that our workplace is respectful and inclusive. The diverse team at Gat Creek is one of our company's finest attributes. We expect all employees to be considerate with each other, our customers and vendors.
